DEAR FATHER .- You have doubtless heard read to the Legislature to-day, recommends a vir of Carolina, these are the spots to which their oraggerated reports of our treatment by the Yankees, and may be uneasy about us in particular; but we are all alive and well at present. You may see from mother's letter, of the 14th, valor shares, and described. The following is a synopthat we are a good deal excited about them.— als of his remarks on general subjects. The late action halred sire, the care-worm mother the blooming. The town was alive with many and various restricted about the confidence of our people in maiden, naconactors childhood, only are in our ports now they were advancing from Pontolog; its justice or competency. In financial affairs the comdoes not appear; but the city is known to have been for some time past very feebly defended.—
We have reason to believe that it is still in the same comparatively defenceless condition that it was when General Buller's attempt was made, in few weeks since. Richmond has so many times been just within our reach, and alippool from un like the fruits that was and of the survey. The placing of civil the same and happier days—to alors the same to say at home, depriving the same to show and happier days—to alors the same to say at home, depriving the same, and it is sail to same, but not a few with all a father's sorrow for his savest memory of home and happier days—and all a father's sorrow for his savest memory of home and happier days—and all a father's sorrow for his savest memory of home and happier days—and all a father's sorrow for his savest memory of home and happier days—and all a father's sorrow for his saves minute.

It is at the army, but cause them to shap at home, depriving the same of its active militia. The placing of civil its still in the same, and the same, and the same, and the same has a comparatively defenceded.—

It is a true for its active militia. The placing of civil its still in the same, and t Apprehension is felt of another raid on Alex-indria and the railroad. Muchy was reported. Tantalus: It has so many times seemed ready number is estimated at about 3500. From our cety. Congress cannot confer judicial power to the fix.
